

# 5 PRACTICING STEPS

1. Clap and Count the rhythms out loud.
2. Count out loud and Finger the notes on flute.
3. Finger the notes on flute and Articulate.
4. Finger the notes on flute and say note names in rhythm.
5. Play!

**\*\*** Use the "5 Penny Game" and a metronome on each of the above steps.

**\*\*** 5 Penny Game: Place five pennies on one side of the music stand. If you play the passage correct, move one penny to the other side of the music stand. Continue this until all pennies are to the opposite side of the stand. If you make a mistake at any time, all pennies are to be returned to one side. (Start over).
